On-Line Registration and Verification

ONLINE REGISTRATION is the **FIRST STEP** to get your student enrolled at North Columbus Elementary. If you have not completed the Online Registration Process, please do so as soon as possible. The link for Online Registration can be found at <https://muscogee.k12.ga.us/>.

VERIFICATION DAY is **STEP TWO** to finish enrolling your student at North Columbus Elementary. Please be aware this process will be a little longer than normal. If you have the attached paperwork completed prior to arriving at the school, it will cut down on the time you spend in the building.

- Only one parent per family needs to come to Verification Day.
- Children will need to remain at home on Verification Day.
- You must wear a mask in the building.

On verification day you will need to:

1. Show proof of address. This needs to be a current utility bill (cable, gas, power or water). If you do not have this with you, we will have to ask you to go get one and return with a copy in hand.
2. Turn in your registration paperwork which is attached to this email, found on our website <http://northcolumbus.muscogee.k12.ga.us/>, or you may pick up packets at the school located by the front door beginning August 4th.
3. Pick up your car rider number.
4. Pick up any consumables your grade level may need to pass out.
5. Find out who your student's teacher is and receive the virtual schedule.
6. Kindergarten parents will have an extra station to stop at. Please see below.
7. Pick up your student's device that will be used during virtual instruction.
