"Siblings" from different classes may take pictures together. Please write a note and attach it to the youngest child's pre-order form with the older siblings name and teacher so that we make sure that they take them together.

Attention Parents: Tradition or Virtual for the Rest of the Year

MCSD has now opened the window for you to change your choice for student instruction for the rest of the year. Due to testing and end of year preparation, choice model preferences will remain in effect for the full spring semester (January 6-May 21, 2021).

If you would like to continue your child's current mode of instruction, NO action is necessary by you.

If you would like to change your child's current mode of instruction... Please make sure you notify your desired change to the principal at
