"Virtual Students" may drop by and take pictures from 9:00 AM - 11:00 AM. Please remember if you are virtual and are coming to the building you must wear a mask and practice social distancing.

Water Bottles

Parents, please remember to send your students with full water bottles everyday. We have gone through our initial supply that was provided by PTO. If you would like to send a donation of water bottles into your students class it would be greatly appreciated!!

Community Service Project

It's that time again for our annual canned/non-perishable food drive to help the Columbus Dream Center.

Please send in canned/non-perishable food items with your student (s)

November 2nd through November 19th.

The class that collects the most cans will win a pizza party!

Car Rider Line

Parents, we need your **HELP** with morning car rider line!

To ensure that the car line moves in a timely manner and all students are able to get to their seats by the tardy bell (7:45AM) please have students ready to exit the car upon pulling up to the adult taking temperatures.

The following things should be done prior to pulling up to ensure that the car line keeps moving...

Breakfast finished and put away, mask on, last goodbyes done, and backpack/lunchbox ready.

Students may open the door to assist adults that are taking temperatures.

Also, please remember if there is no adult outside to receive your student you must park, put on a mask, walk your student into the office, and make a tardy pass .

Trunk or Treat

We appreciate all the parents who sent in candy to support our Trunk or Treat! **Thank You** to all the parents who gave their time and volunteered to pass the candy out. The children had a great time!!
